

## Photography Packages 2010

### Coral package £1290 (new for 2010)

- Full day coverage from pre-ceremony preparations to the first dance. We aim to be as flexible as possible with timings and stay, for an allocated period, as opposed to charging by the hour – from 2 hours before the ceremony until the first dance.
- Disk of 300+ viewing images in colour and black & white (600+ in total), at a 300dpi printable resolution to allow you, family & friends to print as many as you wish. Please be advised by Looking Glass Photography regarding optimum print size.
- Your images added to the Looking Glass Photography website (as requested) for two months to enable family and friends viewing.
- Your choice of 10 final images in colour and/or black & white, enhanced in photoshop to maximize print and presentation quality. These images are provided on a high resolution disk to allow you, family and friends to print as many as you wish usually up to A2 size or beyond as required (please be advised by Looking Glass Photography re optimum print size of chosen images).
- One pre-wedding consultation at a mutually agreed location, or at your wedding venue if within a 20 mile radius of the Looking Glass Photography office.

**Note:** Photography packages are often individually tailored but the following provides a guide for packages including a full days photographic coverage of your wedding, an album, prints and high resolution, printable disk.
